### NEW HOUSES ONLY

Water lines up to the lot line are furnished at our cost. From the lot line to the house is at your expense. We do charge a **\$600.00 tapping fee** for connection to our water main. This charge is payable at the time you sign up for electrical service. When you are ready for a water meter and an outside readout with wire, call us at 319-622-3637 and we'll drop it off. The outside readout must go next to the electric meter. After you have installed the meter and readout, give us a call and we will stop by to inspect the installation.
